Intramural Code of Conduct

The three most important aspects of the Intramural Program are:

1. The foundation of all Intramural activities, competitive or not, is PARTICIPATION, FUN, AND ENJOYMENT.

2. Intramural officials are the backbone of the program. They assume an important and difficult task. Without officials, the purposeful, educational, and organized atmosphere of the program would be lost.

3. Unsportsmanlike conduct, abusive language directed toward others, fighting, or any other inappropriate behavior will not be tolerated. Such behavior will be handled in an expeditious manner using the guidelines set forth below.

An individual displaying inappropriate behavior will automatically be ejected from that particular activity. Depending on the nature of the incident, the Intramural Director, Alyssa Rosado, in consultation with the Athletic Director, Chris Bisignano, will decide on the action to be taken. Such action may include but not limited to:

A One (1) Game Suspension or a two (2) Game Suspension

Anyone who is ejected from an Intramural activity must make an appointment to see the Intramural Director, Alyssa Rosado, within 24 hours to the incident. Failure to make such an appointment will result in a minimum of a one (1) game suspension.

Any action involving the possibility of an extended suspension of Intramural activity will be handled by Purchase College Judicial Board. Such sanctions may include but not limited to:

1. Suspension from the activity in which the incident occurred.

2. Suspension for one (1) entire semester of Intramural Activities.

3. Suspension from all Intramural Activities.
